NutriClear®

Why you may need NutriClear®: Providing nutritional support for detoxification and metabolic clearing, **NutriClear®** is a unique product that supplies key nutrients for hepatic function, energy production, and intestinal balance. The formula includes easily digested hypoallergenic protein, medium chain triglycerides and an extensive complement of antioxidants. **NutriClear®** helps support the body's enzymatic processing and elimination of potentially harmful substances while compensating for nutritional deficits resulting from maldigestion and malabsorption. This soothing supplement also protects against oxidative stressors associated with detoxification and helps to sustain tissue rebuilding.

Why your healthcare practitioner recommends NutriClear®: **NutriClear®** is another exclusive product brought to you by Biotics Research Corporation. Formulated with broad-spectrum use and practitioner flexibility in mind, **NutriClear®** should be considered as a cornerstone for any detoxification or rebuilding program. Depending on your health status and the desired rate of repair or detoxification, **NutriClear®** is suitable for both short-term and long-term use. As a meal replacement, it can be used on its own or in conjunction with a suitable protein powder such as **Whey Protein Isolate** or **Pea Protein Isolate**. Each serving of **NutriClear®** or (2 level scoops) should be mixed with pure water, however rice or almond milk may be used depending on your program objectives, and may be taken several times per day or as desired.
